Sprint 3 Report - SlugStocks - Slug Stocks, Nov 16 2022

• **Actions to stop doing:** Stop not taking tasks on the board and stop not being timely to meetings

• **Actions to start doing:**

Tackle tasks that have higher priority over the tasks that have a lower priority

Take on more tasks from the Scrum board, being more productive

Ask for more help from other team members so that tasks could be completed in a timely manner

• **Actions to keep doing:** Keep communicating on Discord to keep each other up to date in regards to what work has been completed and when one of us has pushed to the main branch so that the rest of us could check it out and give our feedback.

Keep pulling from the main branch when it has been updated to let the other group members be aware if an error or unexpected outcome has happened
